Dear Stuart and James,

Thank you for sending me through an application for the Away Day collaborative research project funding. I am pleased to let you know that you have been successful. The funding is $5000, and will need to be fully expended in 2019. I will be liaising with Linda, Mandei and Jasmine to ensure your access to the funds.

I wish you all the best with the e-Sports project: it sounds like a terrific and promising avenue of research.

Best wishes,
Damian
