## Invitation

### Message from the DAA 2017 Chair, Varitha Kinghorn

The **Dietitians Association of Australia** invites you to Tasmania for the 34th National Conference in **Hobart from 18 – 20 May 2017**.

This Conference offers an exciting and rigorous scientific program that critiques the evidence and challenges all to reach new standards of excellence in nutrition and dietetics.

Three plenary themes – Nutrition Economics, Future Nutrition in Clinical Practice and Marketing and Nutrition Communication Debate – will showcase outstanding keynote speakers.

The Hobart Conference will be a game-changer when it comes to concurrent presentations. We introduce two new, innovative and mold-breaking presentations styles, which inspire creativity in concurrent presenters and spellbinding attention in listeners: Tabletop conversations (or Speed Geeking) and PechaKucha (Japanese for chatter).

The city of Hobart is breathtakingly picturesque with an emerging eclectic culture influenced by vibrant local food, music and theatre industries and a world class museum of old and new art, MONA.

We look forward to welcoming you to Hobart for the Dietitians Association of Australia 34th National Conference!
