United States District Judge, Southern District of New York, Courtroom: 14D (room may be subject to change). This will be a wonderful exposition of the arcane process of jury selection in the US legal system.

Courtroom 14B is located at 500 Pearl Street, New York, NY 10007, in downtown Manhattan. There are three courthouses in close vicinity of one another in the area, so note that the courthouse at 500 Pearl Street is the one that does not have columns as part of its facade. When you arrive at the courthouse, the marshals will ask the purpose of your visit and you may advise that you are meeting with Judge Hellerstein. Once you go through security, you should take the elevators to the 14th floor of the building to Judge Hellerstein's courtroom 14B. [Take the 4 or 5 train to Brooklyn Bridge - City Hall]
